

Dear All,

Thank you for auditioning for A Christmas Carol.

I am very excited about how our production is shaping up with this big step of casting.

The following list is in alphabetical order by last name and indicates the role(s) you have been slated to play. Minor adjustments may be made if necessary.

I am looking forward to working with you all. The first read-through, as was mentioned on the audition form, will be **Monday, October 15<sup>th</sup> from 6-8pm**. We will meet in the black box studio of the Menomonie Theater Guild where auditions were held. I will do my best to present a more complete rehearsal schedule for the following weeks and will provide more information for our work together on Monday and the days to come. There are some of you who have already informed me of your conflict for Monday, we will miss you but hope to incorporate you quickly once we get going.

Scripts are available in the MTG office. I ask that non-readers hold off on picking up a script or sharing them with a parent or sibling. If more than one person in your household is cast with non-speaking roles. There will be much to create together around the street scenes and I will sort through who will be in which scenes over the next days.

We will have a group (or two) of Carolers from the Menomonie Singers to support this production as well. Isaiah May will be a fiddler for the Fezziweg dance party and there are other surprises yet to unfold.

If you have questions prior to Monday, please feel free to call me: 608-606-3505 or email [marianne.fieber@yahoo.com](mailto:marianne.fieber@yahoo.com) and I will do my best to respond quickly.
